

Safety Measures for the 2020 San Antonio Chupacabra Nighttime Trail Run, Friday Oct. 9, 2020

The City of San Antonio and Classics Elite Soccer Fields have given us permission to hold this event with the following safety requirements:

- The race field will be limited to 250. Runners will start in smaller groups and will be required to maintain social distance throughout the event.
- There will not be in-person race day registration. Please register online in advance at www.RunInTexas.com/sachupa.
- Everyone entering the race area must be free of any symptoms of COVID-19 (including fever or chills, cough, shortness of breath or difficulty breathing, fatigue, headache, loss of taste or smell) and must not have experienced any of these symptoms within the last 14 days. Participants and their household members must not have been diagnosed with COVID-19 or knowingly been exposed to anyone diagnosed with COVID-19 within the last 30 days.
- Face coverings or face masks are required throughout the event, including at the start and finish area (but not for athletes during the run). All race staff, volunteers and participants must wear masks.
- A staggered start with waves of smaller, socially distanced groups of approximately 30 runners to help maintain social distancing on the course.
- Chip timing using disposable timing chips only to minimize contact between volunteers and runners and allow for a staggered starts.
- Hand sanitizer will be available for use at multiple locations throughout each event.
- We will minimize contact for distribution of drinks and finisher medals.
- Online posting of preliminary results during the event to maintain social distancing.

If we are forced to cancel the event due to COVID-19 related reasons, your entry will be deferred to the 2021 San Antonio Chupacabra 5k/10k.
